

## *Fun Faces of Wisconsin Agriculture...Bingo Question Sheet*

- Questions can be asked in any order. The first questions were taken from the Wisconsin Farm Facts brochure and Fun Faces Book marks. You can add more questions about the eight Wisconsin agricultural commodity groups from further research and study.
- Questions will prompt the participants to think of that commodity area. They can place a marker on one square per question asked. If they are struggling to find the answer, the group can help each other. The first one to complete a row (or four-corners if desired) is the winner.
- Fun Faces: 🍏 Apple- Molly Macintosh; 🐮 Beef- Curley; 🥔 Potato- Spud; 🐄 Dairy- Holly Holstein; 🍓 Cranberries, Strawberries and Cherries- Berry Bunch; 🐷 Swine- Porkchop; 🌽 Corn- Corny; and 🎄 Christmas Tree- Freddy Fir.
