

WISCONSIN FARM BUREAU FEDERATION - AGRICULTURE IN THE CLASSROOM 2010 MATCHING GRANT PROGRAM

The Wisconsin Farm Bureau Federation is offering matching grants of up to \$500 to groups sponsoring programs or projects that promote agricultural literacy. Grants will be awarded for amounts up to \$500 to applicants that secure or provide equal matching funds for the proposed project. A total of up to \$4,000 will be awarded in 2010. Grants may be awarded for less than the full amount requested, based upon discretion of the judges and the funds available. The budget section of this application provides space for detailing the amount requested and how it will be utilized.

Grant Selection Criteria

A judging committee will review all funding requests that are properly completed and submitted by the April 1, 2010 deadline. Completed applications must be typed or computer-generated, using a font size no smaller than 10-point. The application may be reproduced using word-processing software only if line/page spacing is not altered. **Please submit four copies of the application (the original can be signed and then 3 copies made from it).** An editable form of this application is available at www.wisagclassroom.org

The proposed project must be targeted to grades PreK-12 and should enhance student knowledge of the contribution made by agriculture. Projects that use funds toward an ongoing, sustainable education effort will receive preference over those that involve a “one-time” program. Proposed projects or events designed to reach large groups of students will be given preference, as will those that involve innovative approaches to promoting agricultural literacy. Continuing, annual or on-going projects should show plans for improvement, expansion of program, or other changes the grant will help achieve.

Each funding request must include the following:

- Goals and objectives of project – 20%
- Description of proposed project and how it enhances student awareness of agriculture – 40%
- Itemized budget summary – 20%
- Project timetable – 5%
- Methods to be used to measure the success of the project –5%
- Listing of local groups, individuals or other partnering organizations involved in the proposed project – 10%
- 100 word summary of the project for press releases and promotional purposes
- Signature of applicant and matching group representative (required)

Application Information

Complete the attached form and return by April 1, 2010 to: Wisconsin Farm Bureau Federation, Agriculture in the Classroom, P.O. Box 5550, Madison, WI 53705. Winning applicants will be notified by early May 2010. All projects that receive funding must be completed by May 31, 2011. A final report of the project and how funds were utilized must be submitted to WFBF by June 30, 2011.
