

Wisconsin Ag in the Classroom County Coordinators 2012

Updated January 19, 2012

County AITC coordinators and other volunteers serve as local contacts for the program and can assist in arranging teacher training workshops, obtaining resources, farm or agribusiness tours, or “farmer in the classroom” presentations. Wisconsin AITC has specialized in providing agricultural resources to teachers through classroom presentations, teacher training workshops, mailings, teacher’s conventions, and other special events. Program activities are carried out in partnership with numerous agricultural organizations, businesses, and government agencies. **If there is a vacancy listed for the county,** please contact Darlene Arneson, Wisconsin Farm Bureau, at 608.828.5719 or darneson@wfbf.com
