2020-2021 Essay Contest for 4th and 5th Grade Students Presented by Wisconsin Farm Bureau's Ag in the Classroom

How have Wisconsin soybean farmers fueled Wisconsin's economy?

This year's essay contest topic is "How have Wisconsin soybean farmers fueled Wisconsin's economy?" Our 2021 Book of the Year is "**Full of Beans- Henry Ford Grows a Car**" by Peggy Thomas. The book and essay topic allow students to explore how soybeans can be used in so many ways including food, animal feed, energy, cars and much more! The book shares how Henry Ford used soybeans not only in cars, but in his clothes, and food. All rules, promotional materials, county Farm Bureau essay contest coordinator's info, lessons and activities, and other resources related to the essay contest and book program can be found at www.wisagclassroom.org. Books must be ordered online through the website store.

Contest Rules:

- The essay contest is open to 4th and 5th grade students in public schools, private schools, and home school programs. Students involved in 4-H, PALS and after school programs are also encouraged to participate.
- Essays must be handwritten in ink **or** be computer generated. They must be single-sided and fit on one sheet of paper.
- The essay must be between 100 to 300 words in length.
- Essays will be judged on content (50 points), grammar and spelling (25 points) and originality and creativity (25 points).
- Essays must include: student's name, grade level, parent's name, teacher's name, school name and address, school phone number, teacher's email address and county on the back of the essay. Please do not identify the student on the front side.
- **Entry deadline - Postmarked by April 1, 2021** and sent to the county essay coordinator:

**County Farm Bureau Essay Contest

You can use the 2021 Book of the Year "**Full of Beans**" for ideas and perspectives you could cover. But that is not a requirement! Including poetry, as the book does, might be a fun way is acceptable but not required.

Because of the broad nature of this topic, students might consider, **but are not limited to**, some of these sub-topics as they write their essay:

- How are Wisconsin soybeans grown, harvested, processed and marketed?
- What products do many citizens use that are made of soybeans?
- How are soybeans used in fuel production?
- What kind of economic impact do soybeans have in Wisconsin?

Use your imagination and creativity to think of other items to write about!
