Progress Report Update

*This report should be submitted upon completion of the funded project. Projects must be completed, and a final report submitted no later than **June 15, 2022**. Please answer the following questions as completely as possible. Do NOT exceed more than three (3) pages total for your report. Please provide responses in typed or computer-generated format. **Wisconsin Farm Bureau- Ag in the Classroom reserves the right to use all submitted pictures and information for program, website and brochure use.***

1. Please describe the project you conducted, provide a timeline of key project tasks completed with a brief description of each and your use of funds utilized for the project.
2. How did your project meet the goals outlined in your proposal?
3. Has your project been modified from its original proposal? If so, how?
4. How many students and other people has the project served so far? Please list specific schools, student organizations or other groups reached through this project to date.
5. Please list any organizations you partnered with to complete this project and how they contributed to its success.
6. What other obstacles or challenges did you face in completing the project, and how were they overcome?

Additional Information:
